Danette,

I have discussed these changes with Tom. They have been accepted and the final work plan is attached.

Thank You

Hi Russ,

Attached is the MA Bulk narrative with the following tracked changes:

Basin

Page 10 - Since we do not have additional funding for MBMG, the site specific activity #3 has been deleted.

Flat Creek

Page 12 - The five year review should be for OU1, so this language was added.

Page 13 - The five year review language has been deleted for OU2.

Mouat

Page 13 - Deleted "Post Removal" from site specific activity #1. The word "Removal" is a red flag, so we recommend not using it.

Tenmile

Page 14 - Deleted "Post Removal" from site specific activity #1.

Page 14 - Changed the word "removal" to "remedial" for site specific activity #6.

If you agree with these changes, please accept and email the document back to me as the final.

Let me know if you have any concerns.

Thank you,

Danette
